Is ElderServe at Night Right For My Family?

Please indicate whether you agree or disagree with the following statements:

	YES	NO
I am often woken up by my family member at night.	●	○
My family member could **benefit from more social stimulation.**	●	○
My family member has a **tendency to wander.**	●	○
My family member **needs nighttime supervision, but wants to continue to live at home.**	●	○
It is more **difficult to care** for my family member as it gets **later in the evening.**	●	○

If you answered "yes" to any of these questions, perhaps we can help. Please open to learn more!

Or call us at

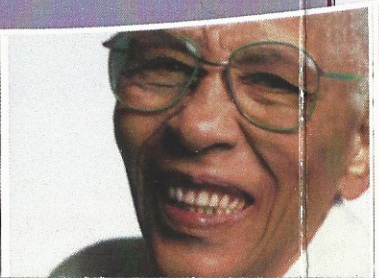
How is ElderServe at Night covered?

We accept Medicaid or private payment.
Credit cards accepted.

When and where we serve:

ElderServe at Night is offered **7 nights a week**, 365 days a year from **7pm to 7am** to persons residing in the Bronx, Manhattan and lower Westchester Counties. The service is available on a regularly scheduled or as-needed basis.

How is ElderServe Unique?


ElderServe at Night is the only overnight outpatient program in the country for seniors with dementia and Alzheimer's. In addition, ElderServe is affiliated with the world-renowned **Hebrew Home at Riverdale**, and shares a campus at its beautiful19-acre waterfront location. Participants may enjoy the pool, putting green, outdoor patio and sculpture garden. Should they desire, participants also have priority access into the Home's short -term respite program, offering 1-6 weeks of skilled nursing care.
