Dear Dr. Young and Ms. Lynch,

With this letter, I am submitting the following deliverables, due June 30, 2016, pursuant to the NYSDOH Revised 2007 Filtration Avoidance Determination (FAD).

| <i>Program</i> | <i>Deliverable</i> |
|--|--|
| <i>3.1 Environmental Infrastructure Septic and Sewer Program Sewer Extension Program</i> | Status report on Town of Shandaken construction of the sewer extension to the Pine Hill WWTP and Town of Middletown and Village of Margaretville construction of the sewer extension projects to the Margaretville WWTP. |
| <i>3.3 Community Wastewater Management Program</i> | Complete design for Shandaken, West Conesville. Status report on construction for South Kortright and construction for Lexington. |
| <i>3.3 Community Wastewater Management Program</i> | Complete a study, as approved by NYSDOH/EPA and NYSDEC, to determine the potential need for a community wastewater management system for the Hamlet of Shokan. |
| <i>4.9 East of Hudson Non-point Source Pollution Control Program Stormwater Projects</i> | Status report on the construction of stormwater retrofits: Maple Avenue (Cross River Reservoir basin); Drewville Road (Croton Falls Reservoir basin); |

As always, if you have questions about any aspects of the City's watershed protection efforts, please do not hesitate to contact me.

Sincerely,

David S. Warne
Assistant Commissioner
