

## SERVICE UPDATE

### **More ECB Violation Information Available Online**

---

The Department has enhanced our online Buildings Information System (BIS) to make ECB violation information more accessible.

#### **ECB Violations on BIS**

To view ECB violations within a property, click “Violations-ECB (DOB)” on the property profile. On the “ECB Query By Location” page, you can view a list of all ECB violations issued to the property. This page now includes more information about the violation, hearing, and Certificate of Correction.

#### **Violation Summaries**

- Summary information displays violation overviews for each property, including total violations issued.
- A new guide on each page defines terms, severity levels, and violation and hearing descriptions.

#### **More Violation Detail**

- View status of submitted Certificates of Correction
- Violations linked to cited code sections
- View License/Registration/Tracking number of individual or business cited in violation (if applicable) and link to the license details.

#### **Penalty Information**

- Penalty information displayed with each violation
