## **Coney Island Health Care Providers and Pharmacies Currently Open**

**Since Hurricane Sandy struck New York City, the Health Department has worked closely with the Mayor's Office, the Office of Emergency Management and other city agencies to address the health needs of New Yorkers affected by the storm.**

**The Health Department has compiled this list of health care providers and pharmacies in Coney Island that are open as of December 7, 2012. We will update this list as more providers and pharmacies reopen; it will be available on our website, [nyc.gov/health](http://nyc.gov/health) and at 311.**

**We encourage you to contact the provider before visiting to confirm operating hours.**
