HARLEM PHARMACY: SIMPLY THE BEST

The Pharmacy Clinical Team's paper entitled "*Anticoagulation Process Improvement Utilizing FMEA*" was selected for presentation during the 2009 ACCP/ESCP International Congress on Clinical Pharmacy in Orlando, FL. The abstract was selected from a large number of submissions and was judged to be of high quality and interest. The abstract will either be scheduled to a poster session or a platform session in early February 2009.

Hon. Inez Dickens' screening

NATIONAL GLAUCOMA SCREENING MONTH

On Wednesday, January 21, 2009, as part of a national effort, raising awareness of Glaucoma, Harlem Hospital Center held a Glaucoma Screening in the MLKP lobby from 10:00 a.m. — 2:00 p.m.. Patients,

community members, and employees participated in the screening exercise. Health information on Glaucoma was given to all who stopped by the information table.

Hon. Inez Dickens, Majority Whip, allowed her eyes to be checked and presented a proclamation on behalf of NYC Council to Dr. Linsy Farris, Director of Ophthalmology.

In recognition of Glaucoma Screening Month, Dr. Linsy Farris received a Proclamation from the NYC Council presented by Councilmember Inez Dickens. Also present is Bud Grant, president and C.O.O. of the Congressional Glaucoma Foundation

2008 JOINT LEGISLATIVE BREAKFAST - JOIN US

On Saturday, February 7, 2009, the Harlem Hospital Center and Renaissance Health Care Network Community Advisory Boards will hold a Joint Legislative Breakfast with the theme, "*Ensuring Healthcare for the Communities We Serve*". This takes

place from 9:00a.m. - 12:00p.m., in the Art Gallery, located on the second floor, of the ML King, Jr. Pavilion.

All employees are invited to attend in light of the looming healthcare budget cuts and the profound negative effects it may have on the healthcare services we provide to the community. This forum will provide a rare medium for patients, employees and community members to dialogue with our elected officials on how to avert an impending healthcare crisis.

WHCR RADIO

Harlem Hospital Center and The City University of New York are working together to bring a health oriented radio program to the Harlem Community. Broadcasting over Radio Station WHCR-FM, 90.3 on the FM Radio Dial, the Hospital will present a weekly broadcast on a variety of health related topics. The on-air hosts for the show were decided via a contest held last year. The best voices and on-air personalities were the winners and in collaboration with the Radio Station's Managers, two moderators were selected from the pool of contestants: **Sonya Tennell**, Compliance Officer, and **Eugenia Graham**, Smoking Cessation Coordinator. **Maurice Selby**, a student at City College is a co-host.

BLOOD DRIVE

On Wednesday, January 14, 2009, Harlem Hospital Center held its Quarterly Blood Drive from 9:00 a.m. to 5:30 p.m. in the Art Gallery of the

Martin Luther King, Jr. Pavilion, 2nd Floor. 64 employees registered to participate in this great effort to save lives and 48 units were collected (including 4 double units from 2 donors).

Sinnamon Flowers,
HIV Services

Pedro Estevez,
Occupational Therapy

Employees waiting to donate blood.

Roy Mathney, Sr. Associate Director, Pathology,
coordinated the blood drive.

Millions of patients suffering from life-threatening illnesses benefit immeasurably from life-saving blood products. Because of this, the importance of blood donation cannot be overstated.

Thank you all who donate.

TO EMPLOYEES OF JUNIOR AND SENIOR HIGH SCHOOL STUDENTS:

PAID HIGH SCHOOL INTERNSHIP

Would you and your teenager be interested in a **PAID** High School Internship?

The internship is an 8-week paid summer commitment with a local nonprofit organization. Your student will take part in an all-expenses-paid week in Washington D.C. at the Student Leadership Summit with hundreds of other community-minded students from the U.S. and U.K. Learn how non-profits, government, business can partner in order to create a positive impact in our communities.

The award recipients will be students who have shown interest and enthusiasm for the kind of community work that might some day make them leaders in their neighborhoods, cities, and beyond.

The application deadline is: February 20th 2009. No GPA minimum; teacher letter of recommendation is required. Details are at: www.bankofamerica.com/neistudentleaders .

Further questions should go to: cheryl.m.cayme@bankofamerica.com .

Staff will partner with West African organizations and community leaders, use medical and dental vans for screening, provide screenings of all kinds, HIV Rapid Testing, hypertension, tuberculosis, glucose, cholesterol, and much more, developing linkage agreements and clinical initiatives to this growing population.

OIG/COMPLIANCE

**The Office of the Investigator
General Reports Over \$2 Billion in
Recoveries From Fighting Fraud,
Waste, and Abuse for the First 6
Months of FY 2008***

The Generations + / Northern Manhattan Health Network Compliance Department and the Network Compliance Committee are dedicated to ensuring that our systems and procedures meet the highest legal and ethical standards. We are responsible for making certain that all employees understand and adhere to regulatory guidelines related to the delivery of health care services. The Network Compliance Officers (**Gail Rosenblatt: Network Chief Compliance Officer, Sonya Tennell: Harlem Hospital and RHCN**

Chief Compliance Officer and Peiman Saadat: Network Compliance

Examiner) and Committee Members are responsible for educating staff on fraud and abuse concerns, following up on potential compliance issues and supporting corrective action plans when required. We are committed to our goal of eliminating violations of law or policy and identifying any system weaknesses throughout the Generations + / Northern Manhattan Health Network.

To meet that goal, we developed a Network Compliance Plan, based on the FY 09 OIG Work Plan, to address specific areas of concern for our facilities. Your input in identifying areas of potential compliance risk is critical to this process.

Some high risk areas for your consideration are:

- Billing for items or services not actually rendered
- Providing medically unnecessary services
- Inappropriate disclosure of employee/patient's information
- Non compliance with Network policies and procedures
- Inappropriate use of facility services and/or supplies

If you have any suggestions or recommendations for the Network OIG Work Plan, please contact any one of us via email or interoffice mail.
