- You must have an active SNAP case by October 31;
- The food you lost must have been purchased with SNAP benefits;
- You must have lived in an affected area and had power outages or flooding caused by Hurricane Sandy;
- You must complete and sign appropriate paperwork explaining your loss within 10 days of your reporting the loss.

You need to verify you live in a storm-affected area. HRA will review your request and, if approved, benefits will be issued to you through your EBT card.
