

NYC Dads - 2013 Fatherhood Initiative Progress Report

New York City Housing Authority (NYCHA)

Next Steps for 2014

- NYCHA will continue to support Dads Take Your Child to School Day, partnering with The Department of Youth and Community Development and other City agencies to promote father involvement and family strengthening.
- NYCHA will continue to collaborate with members of the Fatherhood Working Group to support community based events and ensure that residents had access to information and resources that help to strengthen fathers and families.
- NYCHA will formalize relationships with DYCD funded fatherhood services providers currently operating throughout NYCHA's 9 districts to create a resident based client referral system.
