

Intrepid Sea, Air & Space Museum and the Motorola Solutions Foundation present a NEW Camp G.O.A.L.S. for Girls 2012 Summer Program!

**MOTOROLA SOLUTIONS
FOUNDATION**

What Do the Intrepid Museum, Girls and Science Have in Common?

Camp G.O.A.L.S. (Greater Opportunities Advancing Leadership and Science) for Girls is an application-based FREE six-week summer camp for current **8th and 9th grade girls from NYC public schools.**

Generously funded by the Motorola Solutions Foundation, 50-55 accepted students will build proficiency in math and science. Through our partnership with Iridescent, girls will experience hands-on activities and field studies focused on aeronautics, environmental science/engineering, marine science, the science of fashion design, medical science/biology and space science.
