DADS: Get Credit When You Pay Your Taxes

Fathers, whether you live with your children or not, you could be eligible for a tax credit. Don't leave money on the table. Here's how:

For Fathers Who Live with Their Children:

NYC Child Care Tax Credit

To qualify for the credit, a family has to make less than \$30,000/year and have had child care expenses in 2011 for a child under age 4 to be able to claim up \$1,733.

For more information, go here:

For Fathers Who Do Not Live with Their Children:

Noncustodial Parent Earned Income Tax Credit

To qualify for the credit, a noncustodial parent (parent not living with the child), must have earned less than \$33,000/year and be up to date in their child support payments.
