Summary

- This proposal is submitted in response to WL-160662, concerning an improper entry way replacement door at 332 Macon Street, Brooklyn 11233.
- Upon consultation with Landmarks Preservation Commission, the owners of 332 Macon Street were advised that in order to legalize the existing replacement door, mandatory alterations would need to be made. The mandatory alterations are as follows:
 - 1) The spoked fanlight must be removed and replaced with a single pane fanlight.
 - 2) The entry way door must be re-stained to darken the color of the wood in order to blend in with the architecture.

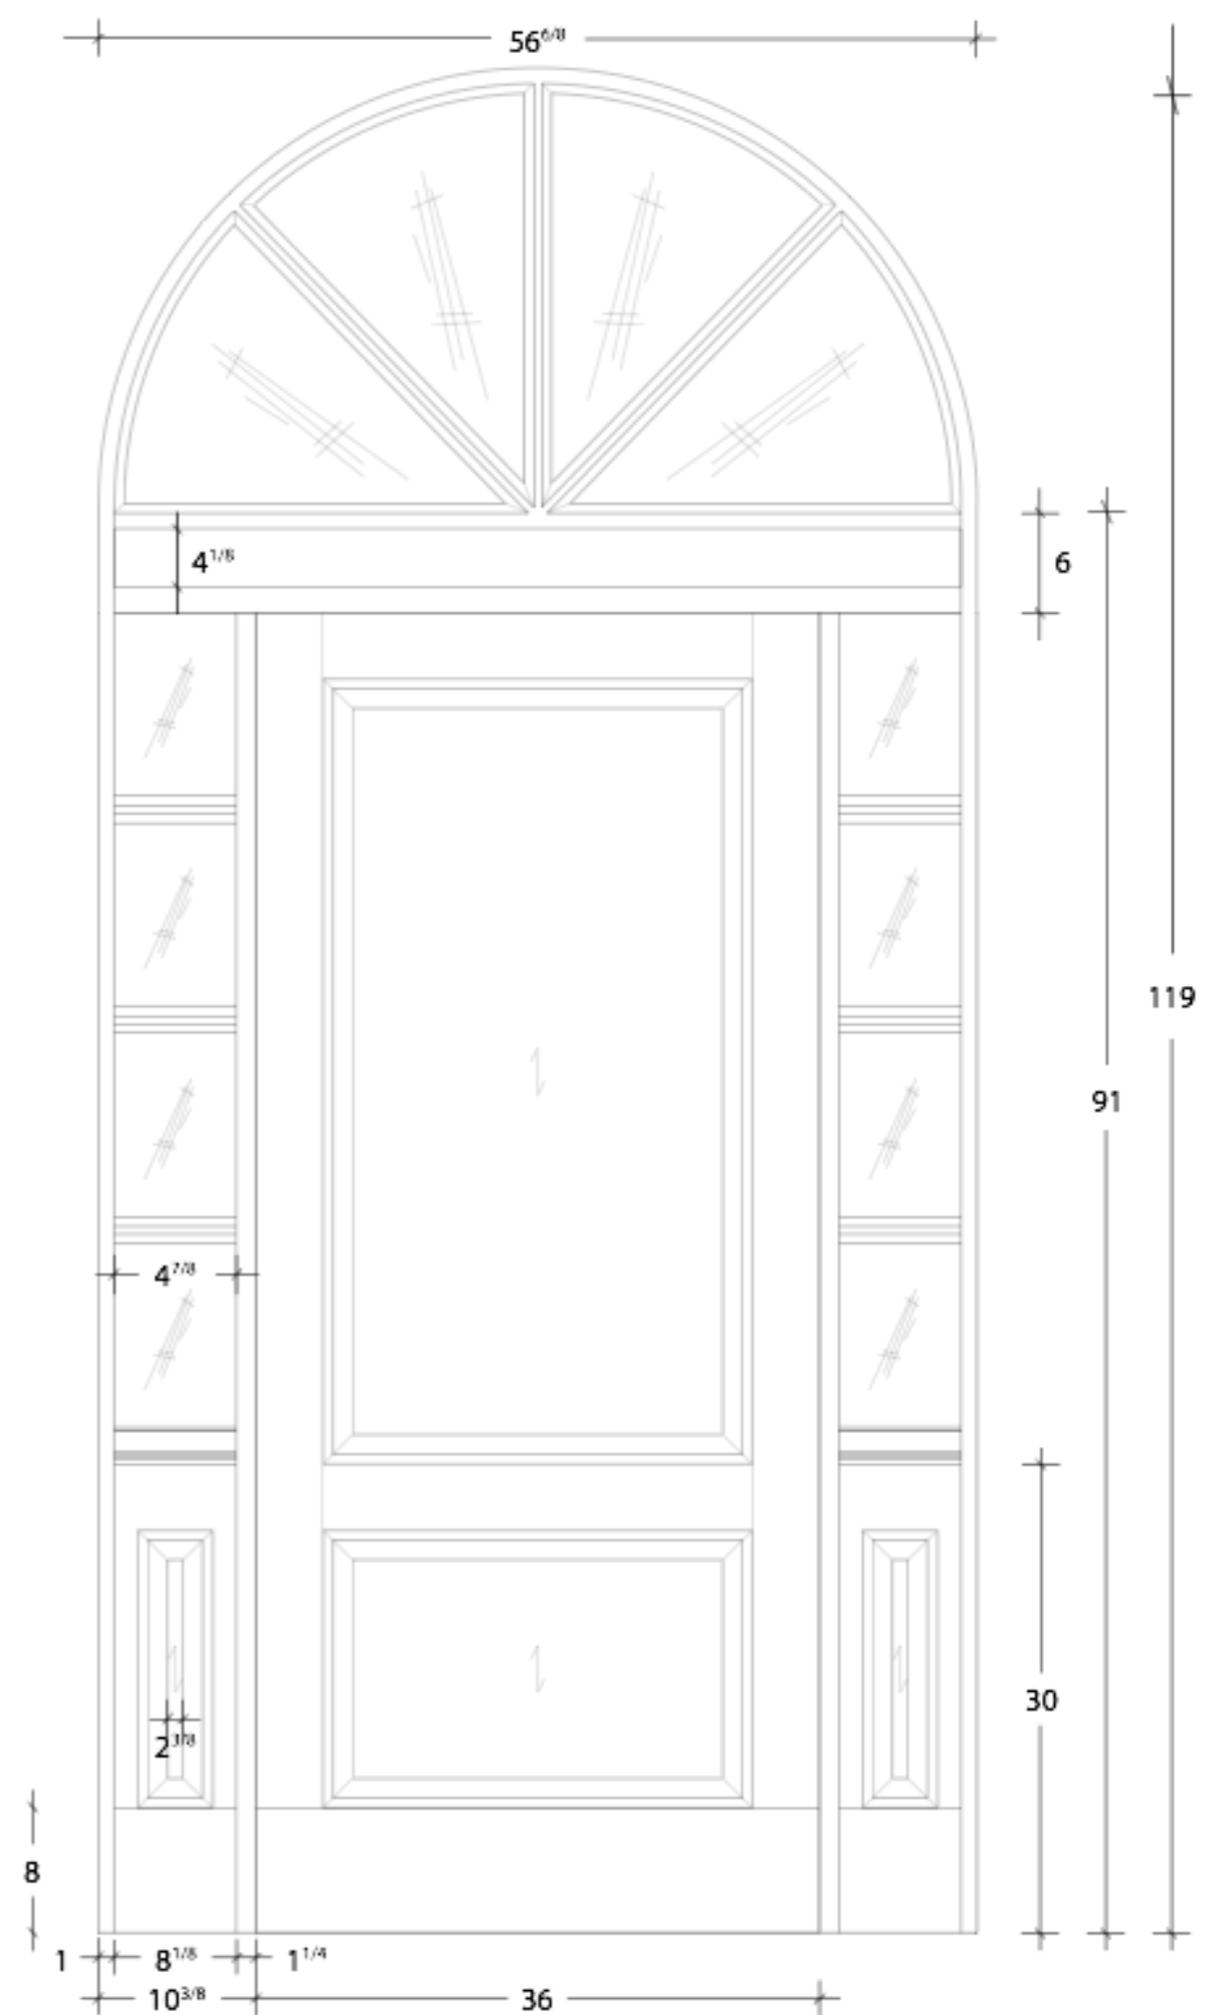

332 Macon Street Original Door

- Victorian door and fanlight were removed by previous owners and replaced with painted plywood and generic entry way door.

332 Macon Street Replacement Door

- Replacement door designed to have Victorian lines more in keeping with historic character of the neighborhood.

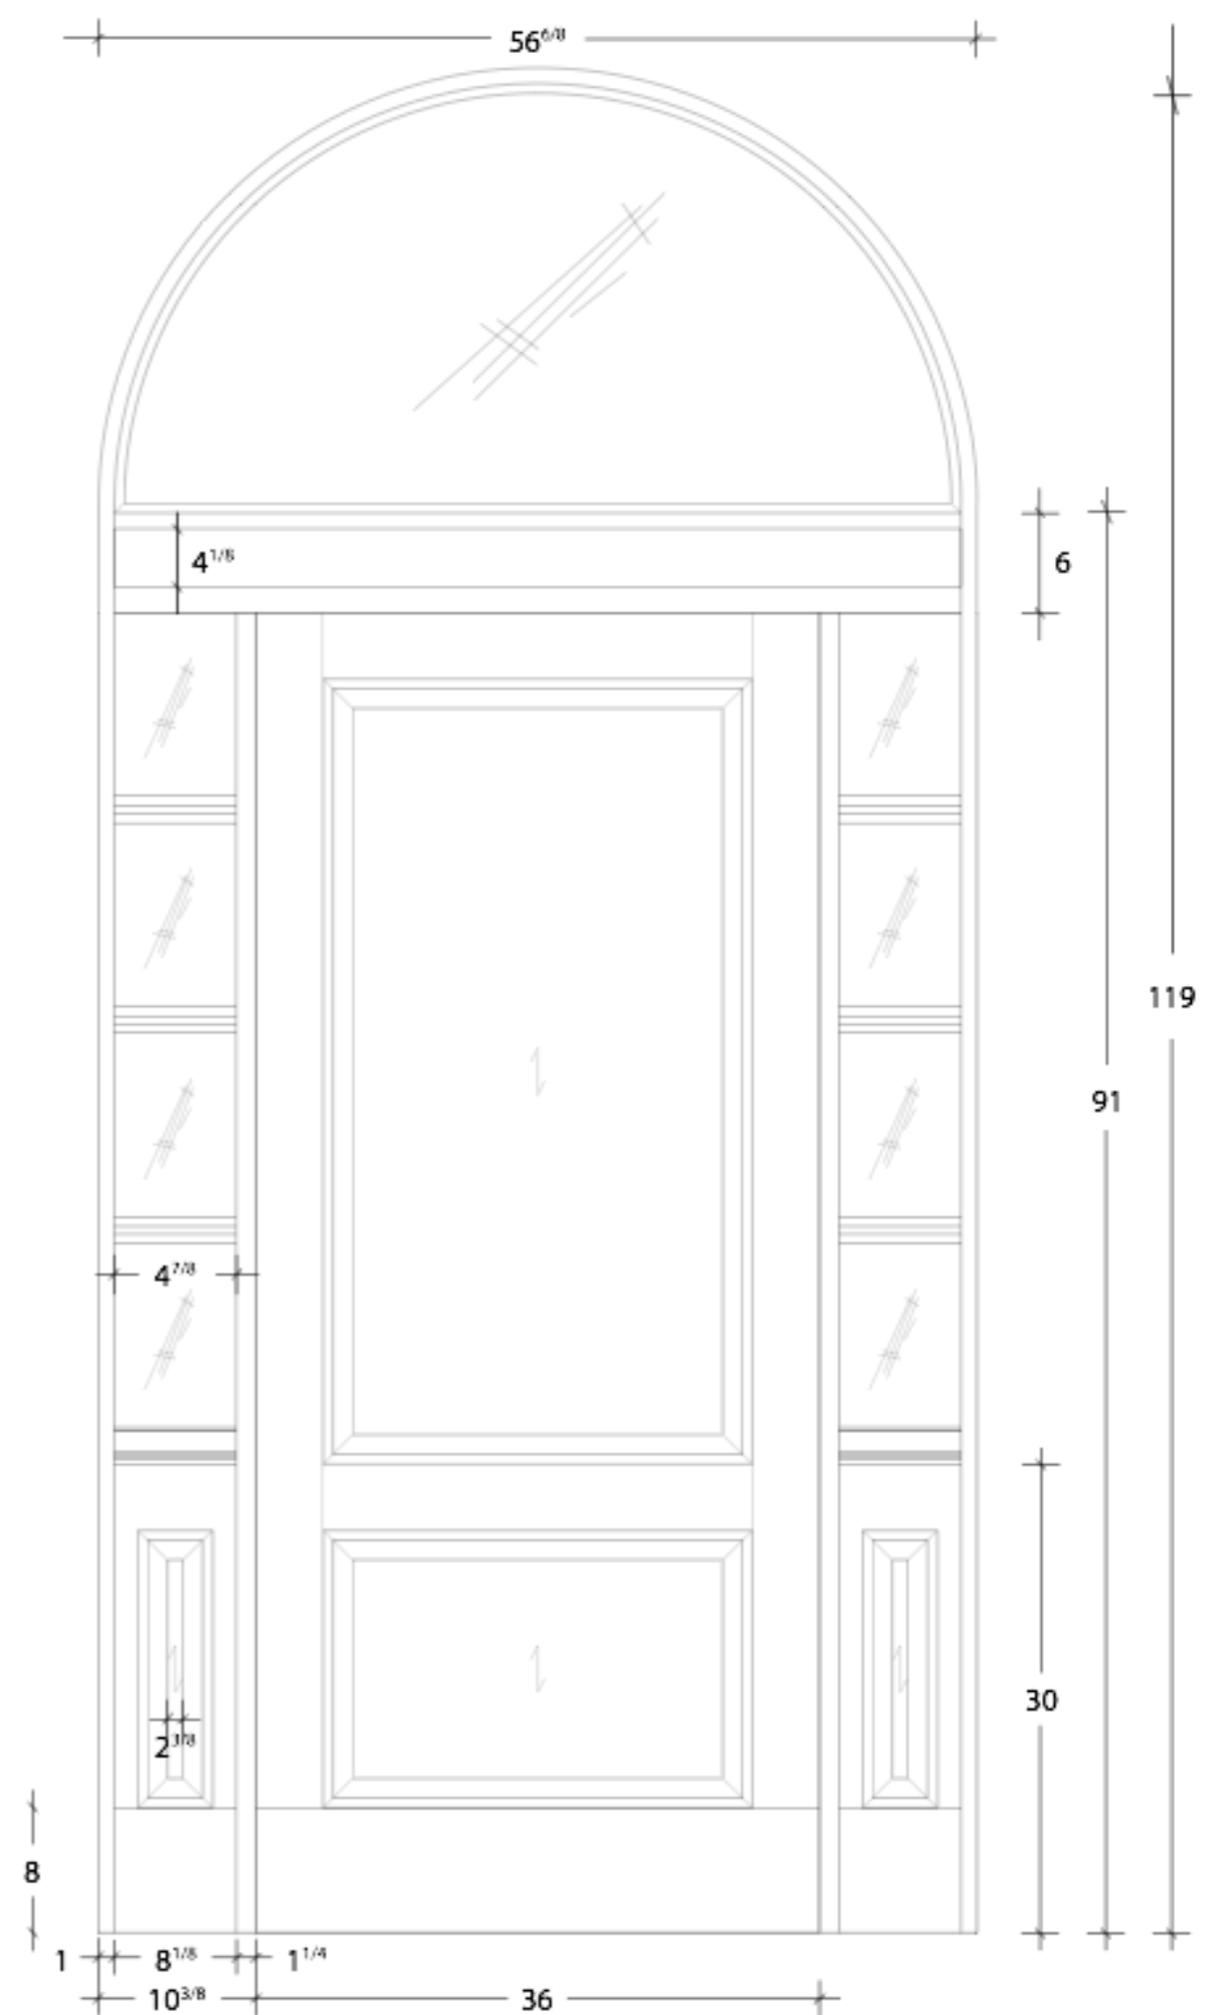

332 Macon Street Replacement Door

- Currently Installed Door

332 Macon Street Proposed Alteration

- Remove spoked fanlight and replace with single pane glass

332 Macon Street Proposed Alteration

- Photoshop Rendering of proposed fanlight alteration

332 Macon Street Proposed Alteration

- Proposed Stain Sample
- Stain sample on left, 140.2 featured on current replacement door.
- Stain sample on right, 143.2 proposed for repaired door.
