Rehabilitation of Houston Street Overpass at FDR Drive

Contract No. HBM1056

Manhattan	Community Board #3	May 2016
-----------	--------------------	----------

The New York City Department of Transportation is continuing the rehabilitation of the Houston Street Overpass at FDR Drive in Manhattan. To facilitate construction work on the bridge structure, the contractor may close one lane at a time on FDR Drive Northbound or Southbound on weeknights through August 31, 2016 between 11:00 p.m. and 5:30 a.m. the following morning. Motorists may experience delays.

FDR Drive Northbound and Southbound
One Lane Closed on Weeknights
Through August 31, 2016
11:00 p.m. – 5:30 a.m.

Melissa Johnson is available to provide information about this project via phone at 917-750-0042 or via email at HoustonOverFDR@gmail.com. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give your name, the borough of the project, and a return phone number.
