## Public Interest Statement

**Purpose:** In order to modernize the iconic and historical Intrepid located at Pier 86 W. 46<sup>th</sup> Street & 12<sup>th</sup> Avenue in New York City, we are requesting that Legends Hospitality, LLC be granted the right to conduct alcohol service in three separate areas of the vessel and surrounding pier area to assist it in its efforts to update the food and beverage offerings. Legends hopes to increase customer service and satisfaction by updating the venue in line with contemporary venue standards existing in the New York Metropolitan Area. The three areas that Legends is requesting permission to serve are:

1. Mess Hall: located at the bottom of the vessel offering a selection of freshly made pizza, hamburgers, salads and snacks as well as alcoholic and non-alcoholic beverages.
2. The Dock: the dock adjacent to the vessel offering various themed food and drinks selections at different areas on the dock.
3. The Welcome Center: the 2nd floor of the building adjacent to the vessel offering a full menu of food and beverage selections.

**Rationale:** As noted above, Legends is requesting this allowance as part of its overall goal to provide increased customer service and satisfaction to those patrons who are experiencing the venue.

1. As noted in the application, Legends has plans to update the menu to provide additional and varied food non-alcoholic beverage offerings which will appeal to a greater population and the largely international and family demographic at the venue. The alcohol license allows Legends the opportunity to increase such offerings, serving to enhance the experience at the venue.
2. Of the four licenses within 500 feet of the venue, two of the licenses are vessel licenses for the Carnival Splendor and the Carnival Queen Mary 2 which are only used while the vessel is in operations outside of land, and two are catering establishment licenses, one of which is issued to Restaurant Associates at the Intrepid and is used for sporadic private events. Under this scenario, granting Legends' requests for an on-premise license does not serve to over saturate the underlying area.

**Conclusion:** Legends is optimistic that its request will be granted. Legends could not be more honored to be offered the opportunity to promote this historic military vessel as well as the underlying ideals that this vessel and all it contains represents to the underlying community and the state of New York.
