Re: Stage 48 – Request for Street Signage Change

Dear Commissioner Forgione:

Manhattan Community Board 4 (CB4) requests that the parking regulations on the north side of West 48th Street in front of Stage 48 (605 W. 48th Street, between Eleventh and Twelfth Avenues) be added to read “No Parking 7pm to 7am.” Today there are no nighttime regulations for this side of the block. This change would enable improved traffic flow and reduced reported honking during active club hours and assist in more efficient club patron drop off and pick up.

This request was made by Stage 48 and has been supported in writing by the hotel and other businesses on the block. The request also emanated from applicant discussions with MCB4 Permits and Licenses Committee based on noise and traffic complaints related to club operations.

Sincerely,

Corey Johnson
