**Presentation**

Thomas Cocola, Borough Commissioner, NYC Department of Traffic and Transportation described Vision Zero which takes effect on November 7, 2014. The goal of Vision Zero is to decrease traffic fatalities and injuries on our streets.

Vision Zero's most publicized change is a decrease in NYC's speed limit; unless posted, 25 MPH is the new speed limit. Service Roads and some major roads will continue to post speed limits above 25 MPH. (Attached is a list of roads with speed limits above 25 MPH)

**Old Business** - None

Respectfully submitted,

*Frank Contrera*

Frank Contrera, Chairman
