Drivers who have applied for a TLC Driver's License can now check online to see if they have completed all of the requirements by visiting www.nyc.gov/newdriverapplookup.

Click on the link "New Application Status Report." The file will tell you if you still need to complete any requirements. You will need your license or application number. Both can be found on the TLC receipt or online payment confirmation form.

New information will take between 24 and 72 hours to appear on the report.

If you cannot find your number on the page, please e-mail the TLC at newdriverapp@tlc.nyc.gov.
