

Industry Notice #09-11
For Immediate Release

May 19, 2009

Attention: Taxi and Livery Drivers

Starting this weekend, Times Square and Herald Square will be closed to traffic on Broadway.

On Sunday, May 24th, Broadway will be closed to traffic in Times Square from 47th to 42nd streets and in Herald Square from 35th to 33rd streets. This is part of NYCDOT's "Green Light for Midtown," a pilot project that will help 6th and 7th avenue traffic flow better and make it safer for pedestrians. The project runs on Broadway from Columbus Circle to 25th Street.

All cross-town streets will remain open to through-traffic; you will still be able to travel across town and pick up fares.

There will be a new taxi stand at 7th Avenue and 34th Street.
