Third-Year Accessible Dispatch Fee Due Date Extended from May 27 to June 9

In December 2011, the New York City Taxi and Limousine Commission (TLC) approved the creation of the Accessible Dispatch program to provide on-demand taxi dispatch service to customers in wheelchairs. The program is financed by the Taxi Accessibility Fee, which is a required fee to be paid by all medallion owners annually pursuant to TLC Rule §58-16(f).

The Taxi Accessibility Fee for 2014-2015 is \$260 per medallion you own or manage.

Owners who recently purchased medallion(s) from a TLC auction will be required to pay the Taxi Accessibility Fee upon receipt (or date stated) of invoice received from Metro Taxi.

This payment is mandatory. Failure to pay the taxi accessibility fee by Close of Business on June 9, 2014 will result in a summons and a \$1,000 fine as per the cited rule. (This deadline had previously been extended from May 19 to May 27, and is being extended again to help medallion owners achieve compliance.)
