

How to Identify a TLC-Licensed Commuter Van:

Decals: TLC blue diamond decals are located in 4 places: each rear passenger door, the windshield and the rear door window.

Plates: Commuter vans have TLC-issued license plates that either begin with T and end with C or begin with LV.

Info: Licensed vans have important information about the van's owner and operator visibly marked.

Important Information for Commuter Van Customers:

1. **Make your commute faster, easier and safer by only riding in TLC-licensed vans.**
2. **All TLC-licensed commuter vans have special markings. Flip this card over to learn more about identifying a licensed van.**
3. **TLC runs background checks on all drivers. Vehicles must meet strict safety standards. Commuter Van operators must meet proper insurance and licensing requirements. Commuter vans not licensed by the TLC don't meet these requirements.**
