

NYC TAXI SHORTAGE

Due to a shortage of taxis, passengers are encouraged to share rides. Shared rides from LaGuardia Airport to any destination in Manhattan will cost \$20 per passenger.

- Zone charges apply to trips from LaGuardia Airport to all other boroughs (\$10 initial charge and travel within one zone; \$5 for entering another zone)
- Children under 12 ride free with adults
- Riders who choose a non-group ride will be subject to the regular metered fare
- Flat rate and zone charges include bridge and tunnel tolls

Thank you for your patience and cooperation.
