

**WHEELCHAIR ACCESSIBLE VEHICLE (WAV) TRAINING FOR
 MEDALLION AND FOR HIRE VEHICLE APPLICANTS**

All Medallion Taxicab drivers and For-Hire Vehicle applicants must attend and complete a Wheelchair Accessible Vehicle (WAV) Training Course after submitting an application to the TLC. A license will not be issued if the course is not taken.

At the end of the training, you will get a certificate of completion from the training course. You must show this to the accessible medallion owner before driving the vehicle, and you need to keep a copy with you in the vehicle. As a driver of a wheelchair accessible taxicab, you must help a wheelchair passenger to and from the sidewalk curb. You must also secure the passenger and his/her belongings in the vehicle. Time for unloading may **not** be charged.

NOTES:

1. You must file an application with the TLC before registering for WAV Training.
2. Wheelchair Accessible Vehicle (WAV) training locations will not allow you to register if you have not filed an application with the TLC. For more information, or to register for a class, applicants must contact a WAV training location directly.
3. Applications are valid for ninety (90) calendar days. If you do not complete **ALL REQUIREMENTS** from the date you submit your application to the TLC, your application will be denied.
4. **ALL FEES ARE NON-REFUNDABLE.**

**These are the organizations that are currently working with TLC to provide Wheelchair Accessible Vehicle (WAV) Training.
 Please call and schedule an appointment with the trainer of your choice.**
